In reply to your favor of the 30th we remark, first, that Lot 185 was sold at 17 cts — We have examined other Cats — pursued by the same party & find that 185 is put down at 17 cts in Each instance, have concluded that the Error you refer to is clerical — Second, if you will consult the Copy of your Second order (already sent) you will there observe that you changed your order on 164 to 2.50: We are constrained to add however, that you would not have acquired the Lot unless you had bid

at least $14.00, perhaps $15.00

Very truly
